INDEX

TO

MARRIAGE RECORD

KIAMI COUNTY, INDIANA

1840 to 1850 INCLUSIVE - Newspapers

1840 to 1849 INCLUSIVE - County Clerk Records

1840 - 1850

* - Found in newspaper.

** - Found in newspaper and records.

The following index to marriage records is compiled from two sources: Official marriage records stored in the Miami County Court house and the Miami County Sentinel and Peru Republican for dates 1840-1949. The Newspapers are currently housed in the Miami County Historical Society museum located in the court house.

Indexing of the newspapers was done by Ray Buehner and indexing of the official records was done by Carla Hurtha.

Genealogists should be warned that noticeable discrepancies do exist in this index. This is in part due to the writing style of the Miami County official at the date the marriages were recorded.

Genealogists are requested therefore, as in all competent genealogy work, to use the index as a guide and to verify all information against the actual source.
